

So what
Your young exterior has always made me curious
about if you took the skin your body? How would you
take it all when your body? And your responsible to
please? Maybe you are... at least I am the only
one who can please you. How you ever thought about
that? How you ever thought about me? I could
break you so fast. I could shut your heart. I could
make you so comfortable and warm.
I promise and I love you.
